- CURA- Jeff Matson and Malik Shabazz
- Task forces for relevant themed maps

Kris Nelson Community-Based Research Program (Nelson Program)

The CURA Community-Based Research Programs consider applications for applied research assistance three times a year. Proposals are due by the following dates for assistance during the time periods indicated:

- **March 15** (Summer semester assistance—early June through August)
- **June 15** (Fall semester assistance—early September to mid-January)
