Question for Jim Grube (Hennepin County) - What can be done for rerouting?

- Start out with Councilmember
- Get in touch with people at the City
- Allen Klugman, Steve Mosing - Good people to get in touch with at the City level

Jim Grube presentation:

American with Disabilities Act - 1973 been working on pedestrian ramps since

- 12-13,000 ped ramps in Hennepin County: these are being updated to match current standards and guidelines
- These are 50% or so done
- Audible pedestrian systems: allow individuals that are visually impaired

Good Grocer Situation

- Corner of Lake St & Stevens Avenue, where Good Grocer is
- Kurt Vickman, owner of Good Grocer
- From the beginning, it was understood that Good Grocer would be moved
- Hennepin County is trying to help Kurt Vickman move Good Grocer to 27th & Nicollet
- Hennepin County has used eminent domain
- Updating the 35W access
- They are not getting the \$25,000 bonus to build on vacant property, because the property isn't eligible for it
- A portion of the alley (just on the north side of good grocer) will be closed off; will rebuild alley so that it goes south to Lake St.; need variances from zoning ordinance because the parking lot nearby is not allowed currently in the area
- Nico Products is currently occupying site bound by Stevens, East Lake, 1st Ave
- Jim will continue to keep CI updated as things progress
